hoe te sluiten

Laat de Forever Locked armband **open** op je arm liggen.

Als je klaar bent, laat je de 'lepel' in het slot vallen en laat je **de bovenkant van de bedel open**.

Zodra de lepel op zijn plaats zit, draait u de bovenkant van de bedel **tegen de klok in** om uw Forever Locked armband te sluiten.

how to lock

Leave your bracelet **open** on your arm.

When you're ready, drop the spoon in the lock and leave the **top of the charm opened**.

Once the spoon is in its spot, turn the top of the charm **counter clock wise** to lock your forever bracelet.
